Forsyth County Youth Football Association

2009 RULES - Violations will not be tolerated!

Resolution

It is solemnly resolved by the commissioner and the presidents of the Forsyth county youth football association (FCYFA) that our primary goal is to provide a safe and wholesome environment for our children to enjoy the wonderful world of youth football. All rules, policies, and actions of the FCYFA should be interpreted with this primary purpose in mind.

Rule accountability

- A. These by-laws will serve as the warning and the head coach is responsible for all aspects of the team and will be the punishable party if violations occur.
- B. Any proven violation of these rules may result in a written warning to remain permanent record of the FCYFA and/or a one game suspension, no excuses. If the violation is serious enough, the punishment could result in fines, a longer suspension, and/or forfeiture of the game.
- C. Any proven second violation of these rules will result in a two game suspension, no excuses. If the violation is serious enough, the punishment could result in fines, a longer suspension, and/or forfeiture of the game.
- D. Any third violation will result in termination as a coach for the remainder of the season and if the violation is serious enough it could result in forfeiture of the game

Understanding of the rules

- A. Before being accepted as a member of a FCYFA team's coaching staff, each individual must have a thorough understanding of all FCYFA rules and philosophies. The coach must agree to abide by all provisions of these rules, and be willing to accept any penalties, which may be imposed because of violation of the rules. **Ignorance of the rules is no excuse!**
- B. A representative of the official's association, the FCYFA commissioner, and the FCYFA board of presidents will conduct a certification meeting for all coaches prior to the beginning of the season. **It is mandatory that at least one coach from each team attend this meeting.**
- C. An official copy of the playing rules will be distributed to all head coaches prior to the first practice of any FCYFA team. It is the responsibility of the league presidents to ensure each of their designated head coaches has a copy of the playing rules and agrees to abide by them.

Rule 1. Team responsibility

All teams must clean up their sidelines after each game at every field. That team must clean up any materials used in celebration before leaving the park.

Rule 2. Team composition

- A. Each FCYFA team shall be limited to a maximum of twenty-two (22) players. The minimum number of players any team shall carry is eighteen (18) unless approved by the FCYFA board of presidents. Each park will register players for one team of 22 and begin a waiting list until at least 36 players are registered. As more players are registered, teams will be split according to the total number of players registered so that no team will fall above or below the max/min per team unless approved by the FCYFA board. Each park will make every effort available to assure that all interested kids will be placed on a team.
- B. The staff of each FCYFA team shall be limited to one (1) head coach, one (1) assistant head coach, a maximum of three (3) assistant coaches, and one (1) team director (total of 6).

Rule 4. Team qualifications – age/equalization draft/addition of players

- A. It is the responsibility of each association participating in FCYFA to assure that an equal balance of players representing each age group in a weight class exists when two or more teams from a weight class are registered from an individual association. Please refer the section on drafting teams in the bylaws for further clarification.
- B. Each association may conduct an evaluation of the players to determine team and position placement prior to the draft. The evaluations will not be considered a practice and does not violate the practice policy detailed in rule 7c. The coach cannot exceed his original roster number and must request the additions through his designated board. The president of the association will then petition the FCYFA commissioner for approval to add the players.

Rule 6. How weigh-ins shall be conducted

- A. There will be one official weigh in to be held at a scheduled time for each association at their park.
- B. Each park president will preside over the weigh in at his or her park. In addition, the VP or other board member from another park will attend the weigh in at another park for certification. All players must weigh in at the official weigh-in. Players who do not weigh-in at this time must: (a) make arrangements that is convenient for all other FCYFA officials and coaches to be weighed or (b) be designated as a restricted player for the entire season. Game jerseys with numbers should be worn at the weigh-in.
- C. Scales will be set at the prescribed weight limit and each player shall be weighed subject to that limit. No allowance shall be made for equipment or clothing. A player has the option to remove all clothing in order to make the weight limit.

Rule 7. Practice

- A. All FCYFA teams will adhere to the player participation rule for their applicable age group. (exception: 7th / 8th grade division have free substitution)
- B. The Association and Head coach shall be responsible for ensuring compliance with the Minimum Play Rule. **NON-COMPLIANCE WITH MINIMUM PLAY RULE:** Each Association is responsible for disciplining violators. If a head coach is not complying with the minimum play rule, then that Association shall be responsible for investigating and punishing reported incidents of non-compliance
- C. The FCYFA has established the following guidelines for member associations to follow in dealing with instances of non-compliance:
 - a. First material offense: Warning, probation, and possible forfeiture of game at the discretion of FCYFA Executive Board
 - b. Second material offense: One game suspension for head coach and possible forfeiture of game at the discretion of FCYFA Executive Board
 - c. Third material offense: Suspension of head coach for the rest of the season and/or the following season and possible forfeiture of game at the discretion of FCYFA Executive Board
 - d. Not with standing anything contained herein to the contrary, the FCYFA Executive Board is the final arbiter over team standings, records, and tiebreakers. While reluctant to do so, the FCYFA reserves the right to issue a forfeit to those teams whose coaches prove to be flagrant violators of its rules. A pattern of disregard for the Minimum Play Rule would constitute a flagrant violation of FCYFA rules.
- D. The game officials are not responsible for enforcement of this play rule. FCYFA commissioner should be notified of infractions of this rule within forty-eight (48) hours of the conclusion of the game.
- E. Any notice of infraction to this rule must be brought to the executive board's attention within forty-eight (48) hours of the completion of the game. The league representative is required to meet the executive board with proof of the infraction.
- F. Coaches and directors have a shared responsibility to see that all children play as much as possible.

---	--

- h. A play is any offensive or defensive play including special teams.
- G. Disciplined player - If a player is required not to play or given limited playing time due to disciplinary action taken by his/her coaching staff, the opposing teams head coach will be notified of the action taken prior to the start of the game. The coach limiting the playing time must specify the reason for discipline, specify the amount of playing time, and prove parent notification and their board approval.
- H. Injured player – if a player is injured, he may be stationed on the sideline with his team. He cannot wear pads. Injured players must be listed on the roster as injured. It is the coach’s responsibility to review injured players stationed on the sidelines with the opposing coaches and directors before the game. Exceptions: for an injury occurring during the game and during periods requiring 50% playing time, the injured player will be announced “out” to the opposing team’s director and the new player announced “in.” The player does not have to be unsuited, and he may be able to come back into the game. In all cases, use good judgment.
- I. Game rosters are still to be filled out with listing the offensive and defensive starters and any suspended players, injuries and disciplinary issues for all games for K through 6th grade divisions. In games where you play out of county teams, you do not have to use an FCYFA roster form. However, you should provide the other team some type of roster.
- J. These rules are not to disadvantage coaches, but to ensure that every child on each respective team has as much playing time as possible. This rule is to help coaches put players in positions best suited for them and not intended to make sure any player gets **ONLY** the minimum plays per ½. If it is suspected that either team is illegally substituting during the game, the accusing director must go to the coach on the field and ask him to call time out. The director should discuss the issue with the opposing team’s director. If the issue is not resolved, the accusing director should make the head coach aware so that the head coach may inform the officials that the game is being played under protest.
- K. Any player and/or coach ejected from any game will not play/coach in the following game or the week of practice prior to the following game. It is up to the head coach to notify his board and the commissioner of any suspensions so the league can be notified prior to start of the following week.

Rule 9. Game officials/chain crew

- A. For all games, there will be three (3) officials on the field and one (1) official keeping the official game clock.
- B. It is up to each park president to notify all coaches, parents, spectators, and players that no one is to approach any official or chain crew member before a game, during the game, during half-time, nor after the game. All complaints should be directed to the park president. Any violation of this rule will result in penalties, fines, and/or suspensions at the executive board and commissioner’s discretion.
- C. Chain crews must be posted on the side of the field opposite the press box and must refrain from any coaching. Any crew member who is found coaching, taunting the opposing team, or shows any such behavior will be replaced and a penalty will be called on the head coach of the team which he/she is affiliated.
- D. Referees will not wear microphones or headsets during any FCYFA event.

Rule 10. Playing rules

The national federation of high school associations (NFHS) football rule book for the current year will be the basic set of rules. Where those rules are superseded by the Georgia high school association (GHSA) rules, the GHSA rules will apply. Any local FCYFA rules that are to supersede both the NFHS and GHSA will be explicitly covered in the FCYFA rules for the current year

- A. All FCYFA games will be governed by the following guide lines: **All divisions play on a 100 yard field**

K / 1st grade	2nd grade and 3rd grade	4th and 5th grade	6th, 7th and 8th grades
Four (4) eight min Qtrs.	Four (4) eight min Qtrs.	Four (4) eight min Qtrs.	Four (4) ten min Qtrs.
No kickoff ball spotted on the 40 yd line.	Kickoff from the 40 yd line.	Kickoff	Kickoff
Free punt (rule 13)	Free punt (rule 13)	Punt	Punt

- B. Extra points shall score two (2) points for kicking and one (1) point for passing and running. The ball will be put in play from the three (3) yard line. K/1st and 2nd grade divisions may score two (2) points by completing a forward pass and one (1) point by running. National high school federation rules, which apply to the point after touchdown, enforced accordingly.
- C. Two-color jersey numbers are permissible. Length of game jerseys must cover all protective gear.
- D. The national high school federation rule with regard to numbering interior linemen, eligible receivers, backs, etc. Will not apply.
- E. In all age group divisions, each team will be allowed three (3) time outs per half.
- F. K/1st and 2nd grade divisions - Defensively will not be allowed to line up over the center or in the gaps between the center and guard positions. Because of this rule, there will be no quarterback sneaks allowed. The quarterback must be led by a running back if running up the middle. The quarterback may run outside the guards. **Penalty(s): same as illegal formation.**

- G. K/1st and 2nd grade divisions - Defensive lineman must be in 3 or 4-point stance, any player tackle to tackle is considered a lineman on the line of scrimmage. Linebackers (tackle to tackle) must be off the line of scrimmage, depth must be 3 yards off the line of scrimmage, **and penalty is same as a defense being offside.**

Rule 11. “Running clock” rule

A “running clock” will be used when the point difference is twenty-eight (28) points or more anytime during the game and seventeen (17) points during the fourth quarter. The clock will stop only for an official’s timeout. Anytime the point difference falls back to less than 28 points anytime during the game and/or less than 17 points during the fourth quarter, the clock will revert to a regular clock. This rule applies to all games, play-offs, and Lanier bowl. At anytime during a running clock period of the game free substitution will be allowed by both teams and if the game goes back to a non-running clock a normal clock and normal substitution rules will apply.

Rule 12. Free punt

On punt situations, the K/1st grade and 2nd grade divisions may move the ball forward 20 yards or half the distance to the goal inside the 40-yard line. When the on field coach of the offensive team informs the referee that they elect to punt, the clock will stop and restart when the ball is signaled ready for play after the change of possession. The 3rd, 4th, 5th, 6th, 7th/8th divisions must punt the ball.

Rule 13. Scoreboard

All FCYFA fields have electric scoreboards with a clock and these are to be used if they are in working conditions. In the event that the electronic scoreboard malfunctions, the official that was in the score booth will keep the time on the field. This is not a protest able call and games will not be postponed or delayed to wait for the clock to be fixed.

Rule 14. Game ball

Each park will provide the official game ball for each game at their park. No team will be allowed to use their own ball.

The following game balls will be provided:

1. **Wilson mini model 1631 without stripes** 5 & 6-year-old division.
2. **Spalding j5pw composite** 7 & 8-year-old divisions.
3. **Spalding j5j composite**– 9 and 10 year old divisions
4. **Spalding j5y composite** – 11 and 12 year old divisions

In all age groups, the position of the ball must be perpendicular to the field (long ways) for snaps and measurements. Players may not turn the ball sideways to snap.

Rule 15. Coaches participation

- 1) In the K/1st grade division, each team may have two coaches on the field. In the 2nd grade divisions, each team may have one coach on the field.
- 2) If it is the opinion of the game official that is on the field a coach has interfered with the play the following will be used
- 3) **No-coaching rule (for coaches allowed on field during plays).**
- 4) Coaches participating on the field must be at least fifteen (15) yards behind the line of scrimmage and coaches are prohibited from coaching (talking to their players) on scrimmage plays from the time the snapper places his hands on the ball after the ball has been marked ready for play and until the play ends. Similarly, no coaching is allowed for free kick plays once the ball has been marked ready for play until the play ends.
- 5) Enforcement of provisions of this rule is on a per team basis for each game.
 - A) **Penalties:**
 - B) **First occurrence within a game:**
 - I) This is a warning situation. The referee will give the “sideline warning” signal (signal 15), only. There is no yardage penalty for the first occurrence.
 - C) **Second occurrence within a game:**
 - I) This is a 5-yard penalty situation. The referee will give the “sideline interference” signal (signal 29) and assess a 5-yard penalty against the offending team.
 - D) **Third occurrence within a game:**
 - I) This is a 15-yard penalty situation. The referee will give the “sideline interference” signal (signal 29) followed by the “unsportsmanlike” signal (signal 27) and assesses a 15 yard penalty.
 - E) **Fourth and subsequent occurrences within a game:**
 - I) This is a 15-yard penalty and coach ejection situation. In addition to the “sideline interference” and “unsportsmanlike” signals, the “ejection” signal (signal 47) will be given by the referee and the offending coach will be ejected in addition to assessing a 15-yard penalty.

- 6) Note 1: the enforcement spot for all such penalties will be the spot of the snap or free kick, regardless of whether the foul occurred during the dead ball interval preceding the snap / kick or during the live ball interval that occurs subsequent to the snap / kick.
- 7) Note 2: the offended team has the option of accepting or declining the yardage portion of any such penalty. However, each occurrence of such penalties counts toward the cumulative number of occurrences in a game regardless of whether the yardage aspect is accepted.
- 8) Note 3: these are by definition “non-player” fouls. Therefore, these fouls are not treated as player fouls for determining “double” or “multiple” fouls. Rule 25. Playoff format

The playoff format will be as follows: For age groups with two divisions, the top 4 teams from each division will make the playoffs. Seeds will be determined by regular season record. Ties for seeds will be determined by head-to-head results. For age groups with one division, the top 8 teams will make the playoffs. Seeds will be determined by regular season record. Ties for seeds will be broken using head-to-head results. If tie cannot be broken by head-to-head, then a blind draw will determine seeds.

Example:

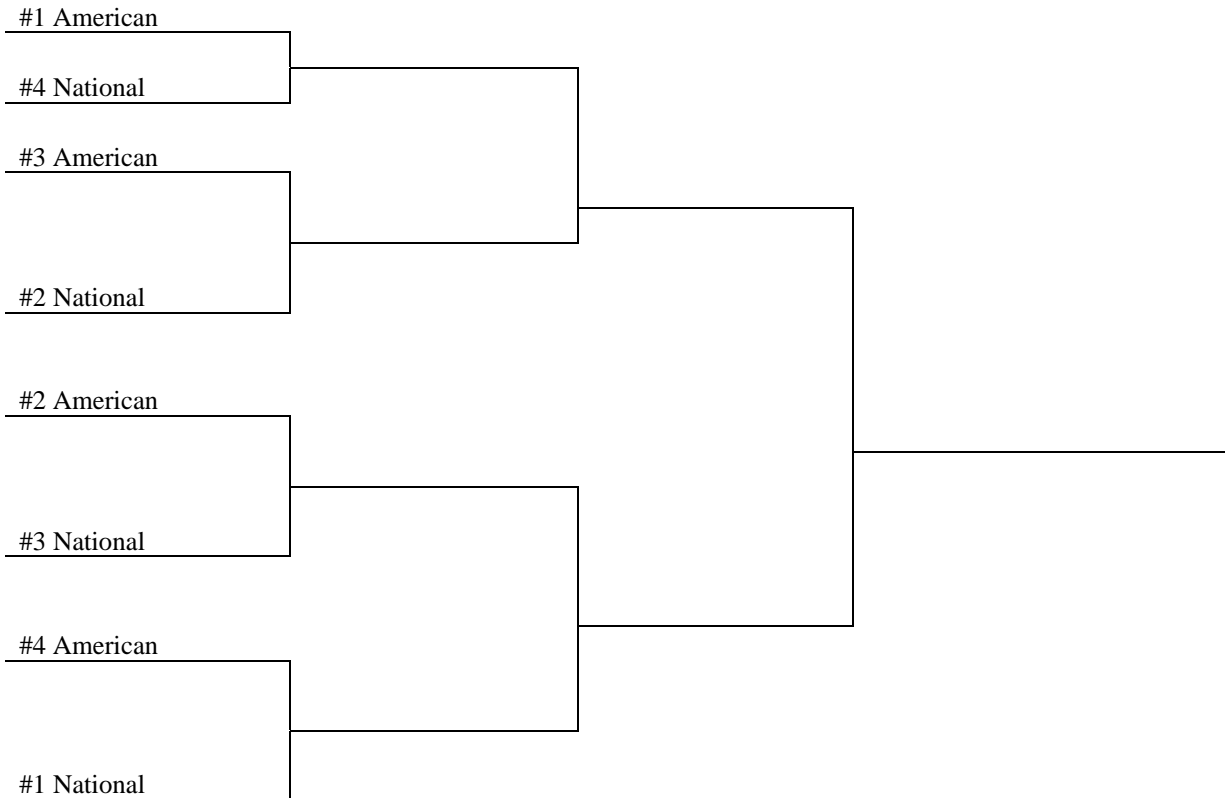

2nd grade American Division 2nd grade National Division

Team A 8-0	Team A 7-1
Team B 7-1	Team B 6-2
Team C 6-2	Team C 5-3 (won head to head vs. Team D)
Team D 5-3	Team D 5-3
Team E 4-4	Team E 3-5
Team F 3-5	Team F 2-6

In this example, 2nd grade American seeds would be Team A #1 seed, Team B #2 seeds, Team C #3 seed, and Team D #4 seed.

2nd grade National seeds would be Team A #1 seed, Team B #2 seed, Team C #3 seed, and Team D #4 seed. Teams C and D have the same record, but Team C beat Team D during the season, so they get the higher seed.

Once seeds are determined, all playoff teams will be put into an 8-team single elimination bracket. Below is the bracket that will be used:

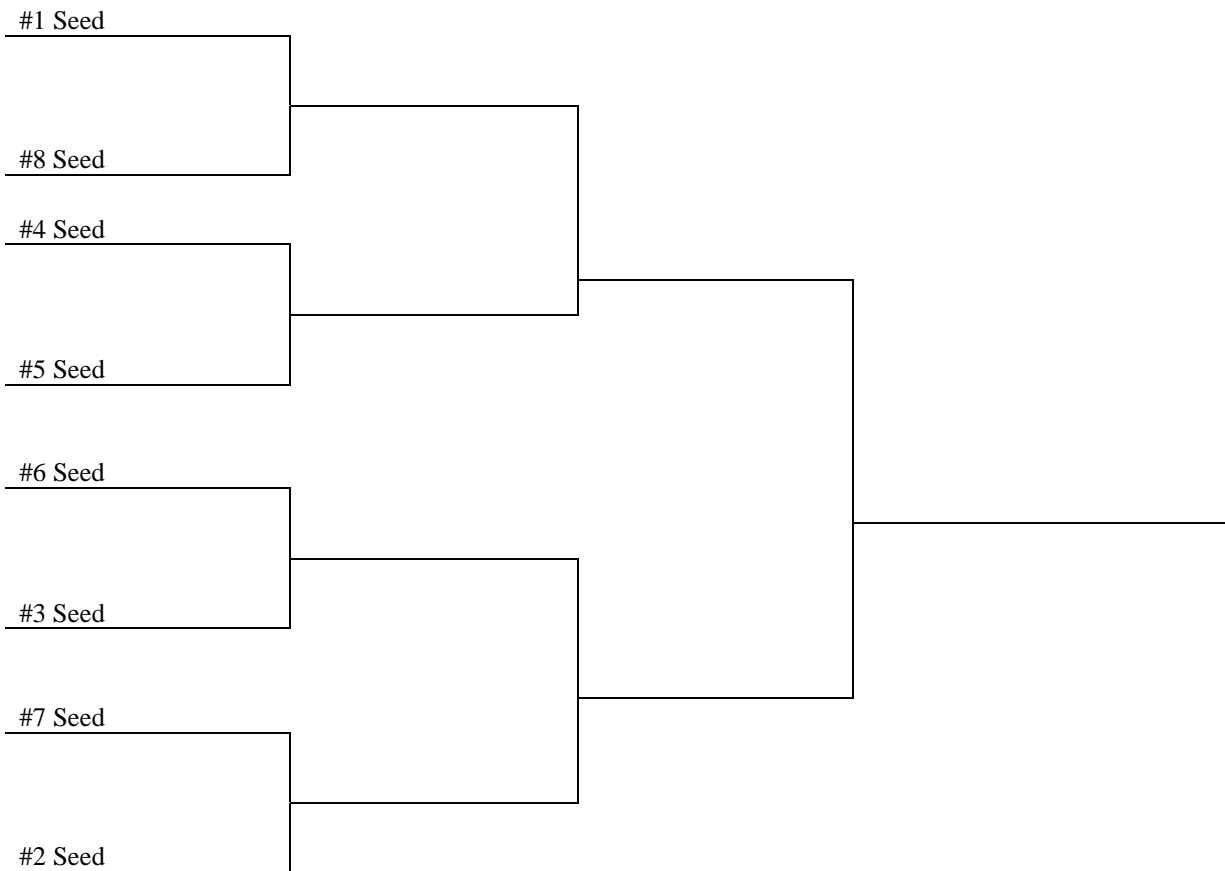

For divisions with only 1 division the following example would apply:

- Team A 8-0
- Team B 7-1
- Team C 6-2
- Team D 5-3 (Team D beat Team E head to head)
- Team E 5-3
- Team F 4-4
- Team G 4-4
- Team H 4-4
- Team I 3-5
- Team J 2-6

In this example, seeds would be Team A #1 seed, Team B #2 seed, Team C #3 seed, Team D #4 seed, Team E #5 seed, Team F #6 seed, Team G #7 seed, and Team H #8 seed. Team C beat Team D head to head so they get the higher seed, even though they have the same record. For the 6, 7, and 8 seeds, three teams were tied with the same record at 4-4. Team F beat Team G, Team G beat Team H, and Team H beat Team F. In this scenario, there is no head-to-head tiebreaker for the 6, 7, and 8 seeds so a blind draw was done to determine the seeds.

The bracket for this division would be as follows:

Rule 26. Videotaping

A. No videotaping of other teams (scouting) will be allowed. Videotaping of another team is permitted only during actual play against that team. - C. If it is found that a team has permitted any coach or player who is ineligible under any rule, or by-law of the association, to participate in any game, the team shall be required to forfeit each and all games for the remainder of the season. Further, such violations may subject the player, coach, and association to disciplinary action, including suspension or dismissal from the association. Ineligible players and coaches shall not be permitted to be on the sidelines or to participate in any team functions during the suspension.
- D. No forfeit will be allowed due to the conduct or decision of any official, but inappropriate conduct of an official may be brought before the board of directors by written request and addressed by the board at a determined time.
- E. Any coach or player may appeal the protest committee's decision to the FCYFA executive board. Replaying of a game due to the misinterpretation of a FCYFA rule only pertains to nonjudgmental referee rulings and the replaying of a game decision will be determined by the protest committee at the time of the protest based on the merits of the protest and the rule that was broken and the impact on the outcome of the game it may have had.
